SUBJECT INDEX TO VOLUME XLI

(Bo.B.) = Bookshelf Browsing; (E.) = Editorial

Abdomen, acute
  cardiovascular disorders and, 346
  cerebrospinal lesions and, 358
  diagnostic pitfalls, 341
  endocrine and allergic conditions and, 361
  genitourinary conditions and, 351
  inflammatory conditions, 345
  muscular lesions and, 360
  respiratory conditions and, 349
  systemic conditions and, 354
Abscess, pararectal and ischiorectal, electrothermy in, 443
Alkyl-dimethyl-benzyl ammonium chloride, as antiseptic, 268
Allantoin, clinical results with, 49
Ambulatory patient
  skin graft in, 67
  surgery in, 57
Ambulatory surgery, 57
American orthopedic surgery, evolution of (Bo.B.), 129
Amputation, in crushing leg injuries, slough following, 320
Anesthesia
  in ambulatory surgery, 57
  in thyroidectomy, 22
Antiseptics, comparative study, 268
Anus
  fissure of, electrothermy in, 442
  fistula of, electrothermy in, 443
  papillae of, instrument for removal, 327
Appendicitis
  perforated, drainage in, 255
    peritonitis complicating, management (E.), 369
  intravesical, fulguration of, bladder rupture following, 96
Arm, fractures of, rotary Thomas splint for, 123
Asphyxia, local, tourniquet and, 192
Astragalus, fracture of, 118

Barbed splint, in shoulder joint therapy, 201
Benzochrome, as urinary antiseptic, 449
Bladder
  prolapse of, new surgical procedure in, 42
  rupture of, following fulguration, 96
Blood
  diastase, in diagnosis of common duct stone, 233
  effect of ether anesthesia on, 399
  effect of sodium amytal anesthesia on, 399
Book Reviews:
  A Method of Anatomy, Descriptive and Deductive (Grant), 134
  Bile, Its Toxicity and Relation to Disease (Horrall), 336
  Colon as a Health Regulator—From a Surgeon's Point of View (Gray), 340
  Diary of a Surgeon in the Year 1751–1752 (Knyveton), 337
  Emergency Surgery (Bailey), 337
  Genital Abnormalities, Hermaphroditism and Related Adrenal Diseases (Young), 133
  Life of Chevalier Jackson (Jackson), 336
  Pediatric Surgery (Brenner), 337
  Physiological Basis of Medical Practice (Best and Taylor), 339
  Pituitary Gland (Timme, et al., Ed.), 535
  Postmortem Examination (Farber), 339
  Practice of Urology (Herman), 338
Book Reviews:
  Practitoners Library of Medicine and Surgery. Vol. XI. Eye, Ear, Nose and Throat, 534
  Some Fundamental Aspects of the Cancer Problem (Ward, Ed.), 339
  Sulfanilamide Therapy of Bacterial Infections (Mellon, Gross and Cooper), 536
  Surgery of the Sympathetic Nervous System (Gask and Ross), 338
  Surgical Treatment of Hypertension (Crile), 535
  Thirteen Horizontal Sections of the Thorax (Hovelacque, Monod and Evrard), 133
Brain disease, gastric ulcer and, 474
Breasts
  relation to endocrines, 39
  soft tissue radiography of, 310
Bubo, venereal, differential diagnosis, chancroid bacillary antigen in, 384

Calculus
  of common duct, blood diastase and, 233
  of ureter, rupture of kidney in, 288
Cancer
  developing on scars, 304
  of right and left colon, 281
  of urinary tract, treatment with supervoltage *x*-ray, 220
Cardiovascular conditions, acute abdomen and, 346
Carotid body, tumor of, 103
Cast material, new, 405
Castex, 405
Catheter, hemostatic, 127
Cerebrospinal lesions, acute abdomen and, 358
Chancroid bacillary antigen, in differential diagnosis of venereal bubo, 384
Cholecystitis
  acute, treatment, 29
  chronic non-calculous, 283
Chorionepithelioma, primary, of tube, 301
Chylous mesenteric cyst, marsupialization in, 464
Colon
  non-specific granuloma of, 112
  right and left, cancer of, 281
Colostomy, bag for, 325
Common duct, calculi, blood diastase and, 233
Cryptorchidism, torsion of cord in, 307
Cyst
  chylous mesenteric, treatment by marsupialization, 464
  twisted, of ovary, in three year old child, 298

Deaths, maternal, prevention of (E.), 187
Diastase, of blood, in common duct stone, 233
Dislocation, recurrent, of radio-ulnar articulation, 115
Drainage, in perforated appendicitis, 255
Dressing, simplified, for scalp, 128

Ectopic pregnancy, intra-uterine simultaneous with, 293
Editorials:
  Interns and residents, 1
  Prevention of maternal deaths as a medical problem, 187
  Rhythmic surgery, 371
  Surgical staff and management of spreading peritonitis complicating acute perforative appendicitis, 369
Electric current, high frequency, in hemorrhoidectomy, 45
Electrothermy, in rectal surgery, 437

Embolism, pulmonary, 3
Endocrines, breasts and, 39
Ether, effect on blood, 399
Eventration, postoperative, 494
Evisceration, experimental study, 462

Fallopian tube, primary chorionepithelioma of, 301
Fascia, suture of, atraumatic needle for, 525
Fissure-in-ano, electrothermy in, 442
Fistula-in-ano, electrothermy in, 443
Fistula, vesico-intestinal, 135
Fractures
  new cast material for, 405
  of arm, rotary Thomas splint for, 123
  of astragalus, 118
  of radius and ulna, dressing for, 480
Fulguration, of intravesical appendix, causing bladder rupture, 96

Galen, schools of medicine and (Bo.B.), 328
Gall-bladder
  acute inflammation, treatment, 29
  non-calculous chronic disease, 238
Gangrene, postoperative, of skin, 87
Gastrointestinal conditions, acute abdomen and, 356
Gaucher's disease, splenectomy in, 77
Genitourinary conditions, acute abdomen and, 351
Germicides, comparative study, 268
Goiter, in surgical practice, 259
Gonadotropic principles, in ovulatory failure, 35
Granuloma, non-specific, of colon, 112
Gynecology, contributions of New York to (Bo.B.), 527

Hand, trauma of, relation to occupation, 51
Head, injuries to, 272
Heart
  disease, in pregnancy, obstetrical aspects, 453
  penetrating wounds, 108
Hemangioma, of spleen, 519
Hemorrhoidectomy, with high frequency electric current, 45, 437
Hemostatic catheter, 127
Hernias, ribbon-gut repair of, 509
Hydropyonephrosis, rupture of kidney in, 288
Hysterectomy, supravaginal, 373

Infections, treatment with superheated antiseptic vapor, 119
Inflammation, in acute abdomen, 345
Internships (E.), 1
Intestine
  obstruction of, double lumen tube in, 412
    following Webster-Baldy operation, 498
  small, neuroblastoma of, 486
Intussusception, in adult, 315

Jelly, surgical, containing maggot active principle, 49

Kidney, spontaneous rupture, 288
Krukenberg tumor, of ovary, 537

Legs, crushing injuries, postoperative slough following amputation, 320
Leucoplakia, tube pedicle skin graft in, 92
Lung, embolism, clinical study, 3

Maggot active principle, surgical jelly containing, 49
Mammography, soft tissue technique, 310
Marsupialization, in treatment of chylous mesenteric cyst, 464
Medicine, schools of, in time of Galen (Bo.B.), 328
Miller-Abbott double lumen tube, in intestinal obstruction, 412
Mothers, deaths of, prevention (E.), 187
Muscular system, acute abdomen and, 360

Needle, atraumatic, for fascia suture, 525
Neuritis, ulnar, delayed, surgical treatment, 501
Neuroblastoma, of small intestine, 486
Neurogenic sarcoma, 275
New York, contributions of, to obstetrics and gynecology, 527

Obstetrics, contributions of New York to (Bo.B.), 527
Obstetrics, heart disease and, 453
Obstruction, intestinal
  double lumen tube in, 412
  following Webster-Baldy operation, 498
Occupation, trauma of hands and, 51
Operating room, set up for, 393
Operations, types of, in vesico-intestinal fistula, 161
Orthopedic surgery, American, evolution of (Bo.B.), 129
Ovary
  Krukenberg tumor of, 537
  twisted cyst of, in three-year old child, 298
Ovulation, failure of
  pituitary and, 35
  treatment with pituitary principles, 35
  treatment with pituitary-like principles, 35

Papillatome, 327
Pelvis, tuberculosis of, 216
Penis, thrombophlebitis of, 228
Peptic ulcer
  perforation in, 427
    effect on results, 419
Perforation
  in peptic ulcer, 427
    effect on results, 419
Peritonitis, complicating perforative appendicitis, management of (E.), 369
Pinch grafts, carcinoma of scars and, 304
Pituitary, in ovulatory failure, 35
Pituitary-like principles, in ovulatory failure, 35
Placenta accreta, 70
Pregnancy
  heart disease in, obstetrical aspects, 453
  simultaneous intra- and extra-uterine, 293
  syphilis in, 213
Prolapse, of uterus and bladder, surgical procedure in, 42
Pulmonary embolism, clinical study, 3

Radio-ulnar articulation, recurrent dislocation, 115
Radius, fractures of, dressing for, 480
Rectum diseases of, electrothermy in, 437
Residents (E.), 1
Respiratory conditions, acute abdomen and, 349
Retroperitoneum, malignant fatty tumors of, 512
Rhythmic surgery, 371, 393
Ribbon-gut, in repair of hernia, 509

Sarcoma, neurogenic, 275
Scalp, dressing for, 128
Scars, carcinoma of, 304
Scrotum, thrombophlebitis of, 228
Sextus Empiricus (Bo.B.), 328

Shoulder joint complex
pathology, 201
therapy, 201
Skin
graft, in ambulatory patient, 67
tube pedicle, viability of, 92
progressive postoperative gangrene of, 87
Slough, following amputation for crushing leg injuries, 320
Sodium amytal anesthesia, effect on blood, 399
Spermatic cord, torsion, in cryptorchidism, 307
Spleen, hemangioma of, 519
Splenectomy, in Gaucher's disease, 77
Stomach, ulcer of, brain disease and, 474
Supply table, for operating room, 395
Surgery
of ambulatory patient, 57
Surgery, rhythmic, 371, 393
Syphilis, in pregnancy, 213
Systemic conditions, acute abdomen and, 354

Telangioma, of spleen, 519
Testes, undescended, torsion of cord in, 307
Thomas splint, rotary, for fractures of arm, 123
Thrombophlebitis, of penis and scrotum, 228
Thyroid disease, types of, 259
Thyroidectomy, anesthesia for, 22
Tissue section, rapid methods, 458
Tourniquet, local asphyxia and, 192
Trauma, of hand, relation to occupation, 51
Tube
double lumen, in intestinal obstruction, 412
pedicle skin graft, viability of, 92
Tuberculosis, pelvic, 216
Tumors
malignant fatty, of retroperitoneum, 512
of carotid body, 103

Ulcer
gastric, brain disease and, 474
peptic, perforation in, 427
effect on results, 419
Ulna, fractures of, dressing for, 480
Ulnar nerve, delayed neuritis of, surgical treatment, 501
Ureter, calculous obstruction, rupture of kidney and, 288
Urinary tract
antisepsis, benzochrome in, 449
malignancy of, treatment with supervoltage *x*-ray, 220
Uterus
prolapse of, new surgical procedure in, 42
retroversion, intestinal obstruction following Webster-Baldy operation in, 498

Vapor, superheated antiseptic, in treatment of infected wounds, 119
Venereal bubo, differential diagnosis, chancroid bacillary antigen in, 384
Vesico-intestinal fistula, 135

Webster-Baldy operation, intestinal obstruction following, 498
Wire gun, new, 526
Wounds
infected, treatment with superheated antiseptic vapor, 119
penetrating, of heart, 108

X-ray
of breast, soft tissue technique, 310
supervoltage, in treatment of urinary tract malignancy, 220
